Em G C
It's been a long, long night

(1)

Em G C
This old world has not seen the light
Em C Em C
for so long, for so long

But there's a voice in the darkness
Saying do you hear this
Crying out, crying out

(Prechorus)

D C G
Make way, our Deliverer is coming
D C G
Prepare the way, for our God is coming soon

(Chorus)

G Em C D G
We will shout it from the mountain tops
Em C D G
God is coming soon so we cry out
G Em C D G
To tell the whole wide world about Our God
Em C D C
He is coming back, God is coming back!

(2)

Em G C
This old world has lost it's color
Em G C
And all hope has drained away
Em C Em C
it's gone, hope is gone

But there's a thunder in the distance
A storm of unrestrained love
God is love, He is love

(PC)

Make way, our Deliverer is coming
Prepare the way, for our God is coming soon

(Bridge)

Am G/B C
Who has held the oceans in His hands? (*Only our God has*)
And who has numbered every grain of sand? (*Only our God has*)
Who has called every star by name?
D C
(*everyone*) Only our God has... (repeat)
